Media Release – November 23, 2020  
Tweed, ON

Council and I would like to thank residents for their cooperation during these difficult times. We continue to stay in the Province of Ontario Colour Coded Framework Green (Prevent) because of Public Health guidelines being followed.

As Mayor of the Municipality of Tweed and the Chair of Hastings Prince Edward Public Health (HPEPH), I fully support our Medical Officer of Public Health, Dr. Piotr Oglaza. Dr. Oglaza issued a statement this past Friday, November 20, 2020, asking all residents in our communities to avoid unnecessary travel to other regions of the province. The risk to our residents from COVID-19 is real and we need to take individual actions, like avoiding unnecessary travel, to keep ourselves and our neighbours safe.

We urge everyone in our municipality to follow Dr. Oglaza's advice. If we all work together, we can protect each other. Again, we thank you for following all Public Health guidelines. Let's keep it green!
