## Inspection of MNRF-Approved Prescribed Burn Plan Mazinaw-Lanark Forest

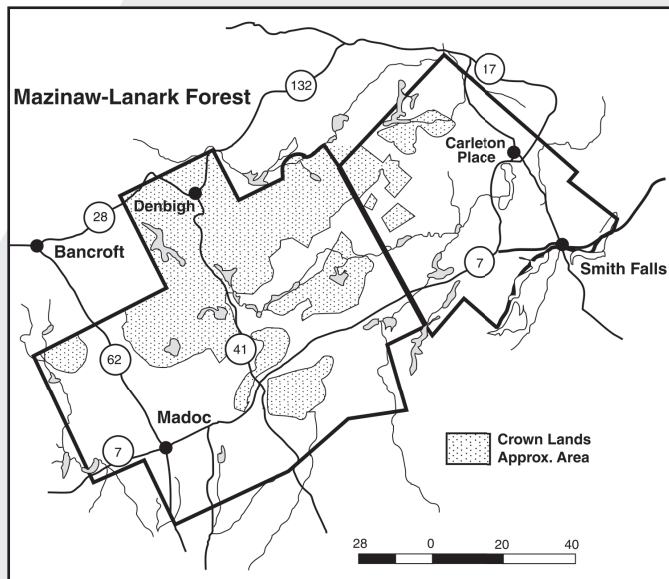

The Ontario **Ministry of Natural Resources and Forestry (MNRF)** invites you to inspect the MNRF-approved prescribed burn plan that will be carried out in the **Mazinaw-Lanark Forest** (see map).

As part of our ongoing efforts to regenerate and protect Ontario's forests, some recently harvested areas have been selected to be burned under the guidelines of the MNRF's *Prescribed Burn Manual*. The prescribed burn will prepare and enhance the site(s) for subsequent regeneration and growth. The burn is scheduled for ignition between **September 23, 2019 and October 14, 2019**.

The approved prescribed burn plan, including specific locations and maps, is available for public inspection by appointment during normal business hours at the office of Mazinaw Lanark Forest Inc. and on the Ontario government website at [www.ontario.ca/forestplans](http://www.ontario.ca/forestplans) until **March 31, 2020**, when the Annual Work Schedule expires.

Interested and affected persons and organizations can arrange an appointment with MNRF staff to discuss the prescribed burn plan. For more information, please contact:
