

The Corporation of the Municipality of Tweed Volunteer of the Year

A volunteer is someone who demonstrates initiative, leadership and creativity in his or her service to others; serves as a role model for others in his or her Community; inspires others to engage in volunteer service; and improves the overall quality of life of fellow citizens and the Community as a whole.

The Municipality of Tweed volunteers are top-notch and so the Municipality of Tweed honours volunteers each year to celebrate the dedication and service of these outstanding individuals. Help us honour a resident or a group for outstanding volunteer service that helps make our community great! The Municipality of Tweed residents are invited to select a Volunteer of the Year for their outstanding service.
