NOTICE OF APPLICATION and NOTICE OF PUBLIC MEETING CONCERNING A PROPOSED ZONING BY-LAW AMENDMENT

NOTICE is hereby given that the Council of the Municipality of Tweed has received an application for an amendment to Comprehensive Zoning By-Law No. 2012-30, complete with the prescribed information.

TAKE NOTICE that the Committee of Adjustment/Planning of the Municipality of Tweed will hold a Public Meeting on **Friday, June 28, 2024 at 10:00 a.m.** in the Council Chambers at 255 Metcalf Street, Tweed to consider a proposed zoning by-law amendment under Section 34 of the Planning Act for the above noted application, numbered as ZA11/24.

The proposed zoning by-law amendment will change the zoning for the lands described as Plan 228, Part Lot 202+203, 215 Jamieson St. E., Village of Tweed, now the Municipality of Tweed and shown on the key map attached hereto.

The purpose and effect of the proposed zoning by-law amendment is to change the zoning of an existing land parcel from the Residential Density 1 (R1) zone to the Special Multiple Residential (MR-11) zone to allow for site specific zoning for the development of a multi-residential dwelling. The special provisions will limit the development to a fourplex and recognize the existing lot area of 6,435 sq. ft. as the minimum lot area and the existing lot frontage of 52 ft. as the minimum lot frontage, the east interior side yard setback as 7 feet and the west interior side yard setback as 9 feet, and allow for one parking space per unit.

Additional information and material relating to the application for the proposed zoning by-law amendment is available for inspection by any member of the public during regular business hours at the Municipal Office, 255 Metcalf Street, Tweed.

ANY PERSON may attend the Public Meeting and/or make written or verbal representation either in support of or in opposition to the proposed zoning by-law amendment. Please refer to the information sheet attached entitled 'Public Planning Meetings Participation Guidance' for details on how to participate in the Public Meeting. The public may choose to attend the Public Meeting through Zoom. In order to do that you must register in advance by contacting the Deputy Clerk at 613-478-2535 or by email at lucasw@tweed.ca.

If a person or public body would otherwise have an ability to appeal the decision of the Council of the Municipality of Tweed to the Ontario Land Tribunal but the person does not make oral submissions at the Public Meeting, or make written submissions to the Municipality of Tweed, before the by-law is passed, the person or public body is not entitled to appeal the decision.

If a person or public body does not make oral submissions at the Public Meeting, or make written submissions to the Municipality of Tweed, before the by-law is passed, the person or public body may not be added as a party to the hearing of an appeal before the Ontario Land Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.

If you wish to be notified of the decision of the Municipality of Tweed on the proposed zoning by-law amendment, you must make a written request to the Municipality of Tweed (address below).

Public Planning Meetings Participation Guidance

The Municipality of Tweed utilizes a hybrid meeting format for all Public Hearings and Public Planning Meetings. Therefore, participants have the right to decide whether they wish to be physically in attendance at the meeting or to attend virtually through zoom. Due to this hybrid format, the following matters should be known:

- The Council Chambers has limited seating on a first come, first served basis.
- The foyer has additional seating. We will be using a microphone and speaker system to improve volume in the foyer for those in attendance.
- Public can also choose to attend through Zoom. You must register in advance by selecting the June 28th meeting link at <https://tweed.ca/meetingsc10>
- Public attending physically will be asked to sign a sign in sheet to document your attendance at the meeting for the record.
- For everyone wishing to speak, you must start with stating your name clearly and spelling it to ensure it is documented properly. If you are attending virtually, you must also provide your address and e-mail for the record. All comments should be provided in writing, in advance when possible, to accompany your verbal submission. This is to ensure clarity and understanding of all comments, concerns and submissions for the record.
- If seating capacity becomes a concern, after each application has been heard and voted upon, we ask that the applicant, representatives and public in attendance for that meeting vacate the chambers and move to the foyer to allow for the next applicant, representative and public attendees to come forward.
- Please note that all meetings are recorded and will be uploaded to the Municipality's YouTube channel after the meeting as the meetings are public. Only those who are in attendance during the live session will be deemed to be part of the official attendance record. Those watching the recording after the event will not be included in the official attendance record.
